My 2022-2023 Ideas and Goals for

California-Nevada-Hawaii District of Circle K

Maintaining Communication

DISTRICT BOARD Increase, ensure, and continue communication and support between D-Board Members to ensure better distribution of information of District events

DIVISIONS + CLUB Maintain monthly announcements of upcoming events + their FAQ's to ensure communication/information is not lost to clubs

CLUB SECRETARIES Hold quarterly/seasonal meetings with Club Secretaries on a Divisional basis for fostering of relationships and better provision of resources and help

LAWS & REGULATIONS Work with L&R Committee to ensure that Divisions and Clubs are aware and educated regarding election procedures

Increasing Accountability

Ensure that District Committees are planning events in a timely manner

Encourage D-Board members to strive for and reach at least Bronze in District MRP

Ensure that the MRF Feedback and Seasonal Reflections are discussed directly with Club Secretaries to help achieve goals

Utilize L&R Committee to provide additional resources and assistance to Club Secretaries with arrival of highly anticipated MRF Portal

Increasing Accessibility

Work with L&R Committee to propose bylaw changes to adopt appropriate options/formats of events post-pandemic

Ensure District Board Meetings have a hybrid option and continue Town Halls

Use and promote District Discord to serve as an additional form of communication and distribution of resources

Reach out to workshop hosts at previous training conferences to present at Candidate Education Session(s)

WHO AM I?

I'm a first year transfer student from UC San Diego studying Neurobiology. I first joined Circle K at Pasadena City College in the Foothill Division and for the last four years I've been serving all across Circle K International.

SKILLS

ADVOCACY

As a Kiwanis Family Relations Chair, I learned to advocate for the needs of my club. I applied this knowledge to my experience on the District Board, keeping my constituents informed of issues affecting them and advocating for their needs in awards, convention payment, and travel issues.

TRAINING & ADVISING

As Lt. Governor, I was responsible for the training and support for a newly formed Executive Board as well as providing resources for existing officers. I've presented on topics ranging from Scholarship Resources to Event Planning and more.

CLUB BUILDING & REVITALIZATION

While on the Division Leadership Team, I worked to support struggling clubs in my division, listening to their needs and creating or finding resources that fit their requirements. Last year, I worked with LACC to reactivate the club, jumping through virtual hoops. Now, on MD&E committee, I work with the team to provide clubs with recruitment & retention advice applicable to both small and large clubs.

ACHIEVEMENTS

- ▶ **Built and centralized resources on all levels of CKI**
- ▶ **Awarded Divisional Excellence**
 - Reactivated Los Angeles City College
