NOTE:

PLEASE follow only these directions. DO NOT TAKE Shaw's Flat Rd. While it may appear to be a quicker route, you are more likely to get lost. There will be signs posted on the routes that have been provided above. The difference in time is negligible and is not worth the added risk. Please make sure to follow the signs.

It is important that you attempt AS EARLY AS POSSIBLE as it can get VERY FOGGY after dusk, making it difficult to drive.

We also recommend you stop in town for dinner before proceeding up to the camp. There are several fast food restaurants on the way and in Sonora.
